STUDENT AND ACADEMIC SERVICES

Teaching and learning is largely self-directed learning methods, with guidance provided in tutorials, which develop the key themes professional experience and competence for practice. The knowledge and skills acquired in the other co-requisite modules and experience gained in practice augment the teaching and learning in this module.

Part 3: Assessment

The written assessment components in this module form part of the documentary submission, which is completed prior to the Oral Exam / Professional Interview. As part of this module, students are expected to bring together portfolio material produced from the other co-requisite modules on this programme. The portfolio forms part of the documentary submission, which includes the Record of Professional Experience, the CV and Career Evaluation and the Case Study.

The Oral Exam / Professional Interview is the final part of the Examination in Professional Practice and Management (Part 3). This will be conducted in part by a Professional Examiner retained from the list of professional examiners published by the RIBA, and in accordance with RIBA Part 3 Course Regulations.
