	<ul> <li>Principles of the Marketing Mix (4ps &amp; 7Ps)</li> </ul>		
	Marketing plan, content and structure		

Contact Hours/Scheduled Hours	Over the course of a two-week timetable there is a total of 6 hours contact time which is comprised of lectures and seminar sessions.			
Teaching and Learning Methods	<ul> <li>The teaching and learning strategy associated with this module is based around a series of lecture and workshop sessions. Lectures are used to develop a body of knowledge and offer signposts for further reading and knowledge development in the field. The lecture programme will delivery core syllabus concepts, incorporating application to specialist areas i.e, Accounts, Economics &amp; Finance. Workshops offer the opportunity to apply the theory accrued in both lectures and private study primarily through the use of case studies and the critical appraisal of 'live' cases and issues. The workshop programme explores and applies core syllabus concepts within a broad marketing arena and within the specialist context of the student's programme of study</li> <li>Students will be exposed to a variety of different learning activities which may include the following:-</li> </ul>			
	<ul> <li>Conventional lectures</li> <li>Presentations and group activity</li> <li>Case study analysis to develop specialist focus</li> <li>Interactive games</li> </ul>			
	• The study time associated with the module is based on 10:1 ratio of notional student study hours to credit value.			
Key Information Sets Information	Key Information Sets (KIS) are produced at programme level for all programmes that this module contributes to, which is a requirement set by HESA/HEFCE. KIS are comparable sets of standardised information about undergraduate courses allowing prospective students to compare and contrast between programmes they are interested in applying for.

	Coursework assessment percentage 50%		
	Practical exam assessment percentage 50%		
	100%		
Reading Strategy	All students will be encouraged to make full use of the print and electronic resources available to them through membership of the University. These include a range of electronic journals and a wide variety of resources available through websites and information gateways. The University Library web pages provide access to subject relevant resources and services and to the library catalogue. Many of these resources can be accessed remotely. Students will be presented with opportunities within the curriculum to develop their information retrieval and evaluation skills in order to identify such resources effectively. Students will be directed and expected to undertake essential reading throughout the module. However, depending upon specific topics addressed over the course of the module, students will be expected to undertake additional reading for themselves. A list of indicative textbooks and relevant journals is provided below but students are expected to recognise that these may be starting points only and that they should extend their reading as widely as is necessary to demonstrate a comprehensive knowledge.		
	<b>Essential reading</b> Students are expected to purchase or have open access to following text as it is considered core to the module:- Armstrong, G., Kotler, P., Harker, M., and Brennan, R. (2012) Marketing: An Introduction, Pearson Education Ltd, Harlow.
