Please note that this is the total of various types of assessment and will not necessarily reflect the component and module weightings in the Assessment section of this module description:

Total assessment of the module:			
Written exam assessment percentage		0%	
Coursework assessment percentage		100%	
Practical exam assessment percentage		0%	
			100%

Indicative Reading List

The following list is offered to provide validation panels/accrediting bodies with an indication of the type and level of information students may be expected to consult. As such, its currency may wane during the life span of the module specification. However, as indicated above, current advice on readings will be available via the module guide.

Part 3: Assessment

Assessment Strategy

The assessment is a 2,000 word assignment.
A formative assessment where appropriate will be defined within the module handbook.

Identify final assessment component and element

A

% weighting between components A and B (Standard modules only)

A:

B:

100%

First Sit

Component A (controlled conditions)
Description of each element

Element weighting
(as % of component)

2,000 word assignment

100%

Resit (further attendance at taught classes is not required)

Component A (controlled conditions)
Description of each element

Element weighting
(as % of component)

2,000 word assignment

100%

If a student is permitted an **EXCEPTIONAL RETAKE** of the module the assessment will be that indicated by the Module Description at the time that retake commences.
