	appropriate presentation software. (Component A)			

	<ol> <li>The ability to independently identify, define and develop a project topic. (Component B)</li> </ol>						
Syllabus Outline	This work based learning module develops students' professional and commercial writing skills in the workplace.						
	During the first semester students will be allocated a work placement. They will be prepared for the workplace with sessions on professionalism and ethics and will meet with their employers.						
	The students are then required to undertake a minimum of 36 hours of work experience.						
	During the second semester students will attend workshops to prepare for and deliver their assignments.						
Contact Hours	Students will cor	mplete a mini	mum of 36 ho	urs of work pla	acement exper	ience.	
	Students will complete a minimum of 36 hours of work placement experience. Typically students will receive 33 hours of contact time spread over 11 weeks.						
	The remaining hours will be devoted to initial meetings between students and employers.						
Teaching and Learning Methods	Scheduled learning will typically take place through a combination of lectures,						
Methods	workshops and seminars.						
	Placement learning will take place during the work placement.						
	Reasonable adjustments will be in place for any student who cannot undertake external work placements and to ensure parity of experience.
