## Part 2: Description

**Overview:** Not applicable

**Features:** Not applicable

**Educational aims:** The confidence and ability to think critically, apply knowledge and skills, and provide expert, evidence-based, nursing care lies at the centre of nursing practice, this module is one of a suite of choice modules that have been

development to offer nursing students in their final year of their studies choice so that are empowered to consider long term career pathways prior to registration.

**Outline syllabus:** Each of the choice module has been aligned to existing and emerging models of care. Reflecting that enquiry and exploration are at the heart of the Future Nurse curriculum so that as nurses of the future students are able to influence and contribute to processes of organisational change through an awareness of local and national policies.

This module focuses on needs of children young people and their families within a community context.

### **Part 3: Teaching and learning methods**

**Teaching and learning methods:** This module will use a range of learning and teaching strategies to support student learning and will include:

Lectures

Scenario based teaching through interaction and simulation

Group work

Self-directed learning

Digital learning delivered through Blackboard and other virtual learning platforms

**Module Learning outcomes:** On successful completion of this module students will achieve the following learning outcomes.

**MO1** Demonstrate a critical awareness of the legal, ethical and key policy frameworks local in relation to caring for children and young people in the community.

**MO2** Critically appraise existing knowledge, new evidence and innovations in practice

**MO3** Convincingly evidence understanding and evaluation of current theory and research

**MO4** Demonstrate an understanding of the importance of exercising political awareness throughout their career, to maximise the influence and effect of registered nursing on quality of care, patient safety and cost effectiveness.

**Hours to be allocated:** 150

**Contact hours:**

Independent study/self-guided study = 114 hours

Face-to-face learning = 36 hours

Total = 150

**Reading list:** The reading list for this module can be accessed at [readinglists.uwe.ac.uk](https://uwe.rl.talis.com/index.html) via the following link <https://uwe.rl.talis.com/index.html>

## **Part 4: Assessment**

**Assessment strategy:** The assessment strategy for this module is designed to allow a diverse range of students to be able to explore their own current and future practice focusing on an existing and or emerging model of care.

Formative assessment

Group work which demonstrates understanding of community nursing, including autonomy, reflective practice, self-assessment and giving feedback.
