STUDENT AND ACADEMIC SERVICES

across the course of the module. Assignment support and surgery.

33 hours of contact time including lectures, discussion groups, workshops, and tutorials. Online weekly engagement with learning materials through Blackboard.

Part 3: Assessment

Summative assessment will involve submission of an individual pre-recorded presentation (15 mins), to demonstrate the integration of theory and practice. The presentation will offer the student creative ways to demonstrate critical thinking and to make links to their future practice. The assessment will be submitted via Blackboard.

Formative assessment provides opportunities for students to gain feedback on their developing understanding, knowledge and critical evaluation skills. These will be embedded throughout the module, in group discussions and activities. Students will be required to share their understandings and skills with teaching staff. Teaching staff will provide ongoing feedback on the appropriateness and level of student understanding and skills.
