## Part 4: Assessment

**Assessment strategy:** Trainees select from a choice of themes. Through a critical engagement with theory and practice, trainees are encouraged to develop an evidence-informed approach to their selected topic recognising how their own values and beliefs have influenced this. This extended written assignment will enable them to develop the account in depth at level 7. A reflexive approach is promoted by the opportunity to reference their own practice, experiences and reading. Plagiarism is addressed by the expectation that Trainees will refer to their own practice and values.
