Part 2: Description

This is a practice placement module, which has some taught preparatory sessions, including mandatory moving and handling practicals, which occur prior to the placement. **NB:** If a student does not complete this mandatory practical and the related paperwork prior to their placement, they will be unable to commence the placement.

There is also a debrief week, where students can reflect upon their learning and consolidate this.

The taught sessions will usually cover:

- Assessment tools and procedures: such as structured and non-structured assessments, observational tools, interview, criterion referenced tools
- Engagement with SNOMED CT (Systematised Nomenclature of Medicine Clinical Terms) and other documentation requirements (RCOT and Legislative)
- Appraising the options in intervention
- Constructing client-centred intervention plans
- Review of social model of disability
- Use of a structured, reflective framework
- Understanding of the HCPC requirements for professional development
- Moving and Handling for level 2

The Professional Practice Placement

A period of time, usually 10 weeks or equivalent, of placement learning contributing to the 1000 total of assessed hours stipulated as a professional requirement by the Royal College of Occupational Therapists. To be achieved the hours must be assessed and passed.

The values of the NHS Constitution are implicit within this module.
