Learning and Teaching

Version: 2024-25, v1.0, Approved

Contents

Module Specification	1
Part 1: Information	2
Part 2: Description	2
Part 3: Teaching and learning methods	3
Part 4: Assessment.....	4
Part 5: Contributes towards	6

Part 1: Information

Module title: Learning and Teaching

Module code: UTLH44-30-3

Level: Level 6

For implementation from: 2024-25

UWE credit rating: 30

ECTS credit rating: 15

College: College of Health, Science & Society

School: CHSS School of Education and Childhood

Partner institutions: None

Field: Secondary Education and Lifelong Learning

Module type: Module

Pre-requisites: None

Excluded combinations: None

Co-requisites: None

Continuing professional development: No

Professional, statutory or regulatory body requirements: None

Part 2: Description

Overview: This module explores ideas, theories, approaches and practices in education. It also explores curriculum and the impact of the contexts of learning.

Features: Not applicable

Educational aims: 1.Support students to engage critically with literature relating to a variety of contemporary, best practice pedagogical approaches used internationally, and their contexts, recognising their potential implications for learning and teaching.

2. Develop students' understanding of learner development, their ability to critically assess individual learners' needs and learning opportunities, and how to use this to plan and teach creatively and inclusively to support high expectations and progress for all pupils.

3. Provide opportunities for students to develop a reflective approach to enable them to understand different philosophies of education and the impact of teachers' values, beliefs and experiences on their practice.

4. Develop students' understanding of curriculum as a frame for education and as a cultural construct.

5. Support students to understand the importance and potential impact of the policy, cultural and social contexts of learners' lives.

Outline syllabus: Philosophies of education and practice implications

Personal values, beliefs and experiences and practice implications

Theories and current research on learning and teaching

What is curriculum?

Contexts of learners' lives and impact

Adaptation for students with SEND

Assessing learner attainment and needs

Planning appropriate teaching and learning activities

Evaluating effectiveness

Part 3: Teaching and learning methods

Teaching and learning methods: Teaching and learning methods will include a mix of activities including recorded content, webinars, tutorials, readings, tasks and activities alongside independent study and tutor support.

There is an expectation that students will link their academic studies to their professional development and practice throughout.

Module Learning outcomes: On successful completion of this module students will achieve the following learning outcomes.

MO1 Articulate a critical engagement with policy and literature relating to a variety of contemporary best practice pedagogical approaches and frameworks, recognising their implications for practice.

MO2 Evaluate their own personal values, beliefs and experiences and consider the implications of these in their roles as educators

MO3 Evidence a critical understanding of the ways in which the policy, cultural and social contexts of education and of students' lives can influence their learning, behaviours and well-being

MO4 Demonstrate an understanding of learner development and how teachers can plan and assess effective teaching which promotes high expectations and progress for all learners.

Hours to be allocated: 300

Contact hours:

Independent study/self-guided study = 240 hours

Face-to-face learning = 60 hours

Reading list: The reading list for this module can be accessed at [readinglists.uwe.ac.uk](https://uwe.rl.talis.com/modules/utlgxf-30-m.html) via the following link <https://uwe.rl.talis.com/modules/utlgxf-30-m.html>

Part 4: Assessment

Assessment strategy: Task 1: 25% Reflections of observation – annotated 20 mins of Students in the classroom. Reflections linked to theory on a chosen theme such as behaviour management or assessment(Primary Source Exercise - 12 mins).

Task 2: 75% 3000 word essay (Written assignment) on personal educational philosophy and related pedagogy in the classroom.

Students will be able to share their ideas through tasks, tutorials and discussion groups to develop a confidence in the requirements of the assessment.

Specific recorded materials are given to students so that they are clear about assessment expectations .

Assessment tasks:

Primary Source Exercise (First Sit)

Description: Reflections on teaching activity (12 mins)

Weighting: 25 %

Final assessment: No

Group work: No

Learning outcomes tested: MO1, MO2, MO3, MO4

Written Assignment (First Sit)

Description: Written assignment on personal educational philosophy and related pedagogy in the classroom (3000 words).

Weighting: 75 %

Final assessment: Yes

Group work: No

Learning outcomes tested: MO1, MO2, MO3, MO4

Primary Source Exercise (Resit)

Description: Reflection of a teaching activity (12 mins)

Weighting: 25 %

Final assessment: No

Group work: No

Learning outcomes tested: MO1, MO2, MO3, MO4

Written Assignment (Resit)

Description: Written assignment on personal educational philosophy and related pedagogy in the classroom (3000 words).

Weighting: 75 %

Final assessment: Yes

Group work: No

Learning outcomes tested: MO1, MO2, MO3, MO4

Part 5: Contributes towards

This module contributes towards the following programmes of study:

International Professional Graduate Certificate in Education [Distance] iProfGCE
2024-25
