

CORPORATE AND ACADEMIC SERVICES

MODULE SPECIFICATION

Part 1: Basic Data					
Module Title	Extending Knowledge for Teaching in Primary Education				
Module Code	UTTGR8-30-3	Level	3	Version	1.1
Owning Faculty	ACE	Field	Primary, Early Years and Education Studies		
Contributes towards	BA (Hons) Primary Education (ITE)				
UWE Credit Rating	30	ECTS Credit Rating	15	Module Type	Standard
Pre-requisites	none		Co- requisites	None	
Excluded Combinations			Module Entry requirements	None	
Valid From	September 2012		Valid to	September 2018	

CAP Approval Date	04/05/12 30/05/13
--------------------------	----------------------

Part 2: Learning and Teaching	
Learning Outcomes	<p>On successful completion of this module students will be able to:</p> <ol style="list-style-type: none"> 1. demonstrate a comprehensive subject and pedagogical knowledge for primary teaching in the Core Curriculum; (A & B) 2. demonstrate sustained competence in subject knowledge and in the teaching of early reading, in particular Systematic Synthetic Phonics (SSP), communication and language; and early mathematics; (B) 3. demonstrate a systematic understanding of national requirements in relation to curriculum orders across the age phases of training; (B) 4. know and be able to evaluate distinctive teaching approaches to engage and support all learners in the Core Curriculum areas, including the use of ICT and digital technologies; (B) 5. critically discuss and analyse principles underpinning children's learning within the Core Curriculum areas; (A & B) 6. know how to adapt teaching to support children's diverse needs and interests at different stages of development within the Core Curriculum areas. (B)
Syllabus Outline	<p>Core Curriculum areas: English, mathematics, Science.</p> <p>Auditing of knowledge in other subject areas; focus events based upon priority</p>

	<p>themes.</p> <p>National and local curriculum – principles of curriculum design.</p> <p>Use of technology to support learning in Core subject areas.</p>																														
Contact Hours/Scheduled Hours	<p>Whole cohort lectures: 12 hours</p> <p>Core subject seminars in English, mathematics and science: 48 hours</p> <p>Supervised placement-based learning: 12 hours</p> <p>Total: 72 hours scheduled contact.</p>																														
Teaching and Learning Methods	<p>Scheduled learning: This includes whole cohort lectures, seminars, module tutorials, structured and supervised school/setting placement-based work, subject knowledge workshops, demonstrations, directed tasks, field work/study visits, technology-enhanced learning through online engagement and e-mail contact.</p> <p>Independent learning: There is an expectation that trainees engage in additional independent study, including engaging with essential and further reading, working on personal subject knowledge, preparation for and completion of assignments.</p> <p>Placement learning: This includes time spent in block practice placement and other school/settings, engaging in activities including observing experienced practitioners, working with groups of children, preparing for teaching, teaching practice (assessed in the Professional Practice module).</p>																														
Key Information Sets Information	<p>Key Information Sets (KIS) are produced at programme level for all programmes that this module contributes to, which is a requirement set by HESA/HEFCE. KIS are comparable sets of standardised information about undergraduate courses allowing prospective students to compare and contrast between programmes they are interested in applying for.</p> <table border="1" data-bbox="459 1155 1366 1547"> <thead> <tr> <th colspan="5">Key Information Set - Module data</th> </tr> </thead> <tbody> <tr> <td colspan="5"><i>Number of credits for this module</i></td> </tr> <tr> <td colspan="4"></td> <td style="border: 2px solid black; text-align: center;">30</td> </tr> <tr> <th>Hours to be allocated</th> <th>Scheduled learning and teaching study hours</th> <th>Independent study hours</th> <th>Placement study hours</th> <th>Allocated Hours</th> </tr> <tr> <td style="text-align: center;">300</td> <td style="text-align: center;">72</td> <td style="text-align: center;">72</td> <td style="text-align: center;">156</td> <td style="text-align: center;">300</td> </tr> <tr> <td colspan="5" style="text-align: right;"></td> </tr> </tbody> </table>	Key Information Set - Module data					<i>Number of credits for this module</i>									30	Hours to be allocated	Scheduled learning and teaching study hours	Independent study hours	Placement study hours	Allocated Hours	300	72	72	156	300

Reading Strategy	<p>Essential texts will be signalled clearly in module documentation and made available through the Library. Module guides will also reflect the range of reading to be carried out.</p> <p>Students are expected to identify all other reading relevant to the module. They will be encouraged to read widely using the library catalogue, a variety of bibliographic and full text databases, and Internet resources. Many resources can be accessed remotely.</p> <p>The development of literature searching skills is supported by a Library seminar provided within the first semester and by the Graduate Development Programme at level three. These level three skills will build upon skills gained by the student whilst studying at levels one and two. Additional support is available through the Library Services web pages, including interactive tutorials on finding books and journals, accessing journal articles electronically, evaluating information and referencing. Sign up workshops are also offered by the Library.</p>

Part 3: Assessment	
Assessment Strategy	A controlled essay

Identify final assessment component and element	Component A	
% weighting between components A and B (Standard modules only)	A:	B:
	100%	
First Sit		
Component A (controlled conditions) Description of each element	Element weighting (as % of component)	
5000 word essay	100	

Resit (further attendance at taught classes is not required)	
Component A (controlled conditions) Description of each element	Element weighting (as % of component)
5000 word essay	100
<p>If a student is permitted an EXCEPTIONAL RETAKE of the module the assessment will be that indicated by the Module Description at the time that retake commences.</p>
