Part 3: Assessment			
Assessment Strategy	The assignment will allow students to investigate a complex topic from the sports industry. This assessment will allow students to develop their academic writing skills and use of literature sources based on a summative approach.		
	The individual oral assessment offers students the chance to develop their presentation skills within the first semester examination period. They will present and defend ideas based on a sporting issue.		
	In line with the College's commitment to facilitating equal opportunities, a student may apply for alternative means of assessment if appropriate. Each application will be considered on an individual basis taking into account learning and assessment needs. For further information regarding this please refer to the VLE.
