## STUDENT AND ACADEMIC SERVICES

Placement tutors provide support with the completion of the module's assessment tasks and where relevant, supervision of any research activities. The placement tutor also aims to visit the student in their placement place of work. Where this is not possible, due to distance or other constraints, the student will be offered a virtual meeting via MS Teams or similar. If more convenient, the student may also be encouraged to visit their tutor at UWE.

### Part 3: Assessment

An individual e-portfolio is maintained over the time that the student is on placement as a 'container' for academic outputs at regular intervals, and as evidence of professional work in progress, and to track and reflect on professional and personal development.

Portfolio submissions occur at scheduled intervals during the module, this allows for formative feedback from module tutors throughout the student's time on placement as well as end point summative assessment.
