Contents

Module Specification	1
Part 1: Information	2
Part 2: Description	2
Part 3: Teaching and learning methods	3
Part 4: Assessment.....	4
Part 5: Contributes towards	5

Part 1: Information

Module title: Community Specialist Practice

Module code: UZTSWL-20-3

Level: Level 6

For implementation from: 2023-24

UWE credit rating: 20

ECTS credit rating: 10

Faculty: Faculty of Health & Applied Sciences

Department: HAS School of Health and Social Wellbeing

Partner institutions: None

Field: Continuing Care Adult Nursing

Module type: Module

Pre-requisites: None

Excluded combinations: None

Co-requisites: None

Continuing professional development: Yes

Professional, statutory or regulatory body requirements: None

Part 2: Description

Overview: Not applicable

Features: Module Entry Requirements: Students must have active registration as an Adult Nurse on Part One of the register. Must be working in an area of practice that allows the student to meet the module learning outcomes. Students undertaking the Specialist Practitioner Qualification (SPQ) must have completed a period of experience of sufficient length to have consolidated pre-registration outcomes and to have gained a deeper understanding in relevant professional practice.

Educational aims: See Learning Outcomes

Outline syllabus: The Theory and Practice of Action Learning (AL) (online and in AL):

As a tool for self-development

Application in teams and with service users

Using AL to improve services and care

Reflective Practice (online and in AL):

Theory and practice: key concepts

Part 3: Teaching and learning methods

Teaching and learning methods: Contact hours: A total of 48 hours in the form of seminars, Action Learning Sets and online activities.

A variety of approaches will be used which may include:

Seminars

Action Learning

ICT based platforms

Formative assessment opportunity

Module Learning outcomes: On successful completion of this module students will achieve the following learning outcomes.

MO1 Evidence the achievement of the NMC SPQ standards (District Nursing) and practice hours

MO2 Critically reflect on their learning and development over the course of the programme and identify how this will lead to improvements in care and services

MO3 Identify i) areas in which they can develop professionally and personally and ii) strategies that will support their development

Hours to be allocated: 200

Contact hours:

Independent study/self-guided study = 152 hours

Placement = 600 hours

Face-to-face learning = 48 hours

Total = 800

Reading list: The reading list for this module can be accessed at [readinglists.uwe.ac.uk](https://uwe.rl.talis.com/modules/uztswl-20-3.html) via the following link <https://uwe.rl.talis.com/modules/uztswl-20-3.html>

Part 4: Assessment

Assessment strategy: Summative assessment includes two part:

Assessment part A:

Completion of a portfolio evidencing the achievement of the NMC Specialist Practice (SP) standards (District Nursing) and 600 hours of supervised practice.

Assessment part B:

10 minute oral presentation in which students critically reflect on an aspect of their learning and development during the programme, and identify how this will lead to improvements in care and services.

Formative assessment will take place through supervision of group work and discussion, as well as tutorial support and review of draft work.

Assessment tasks:

Portfolio (First Sit)

Description: Achievement of NMC Specialist Practice standards as outlined in the portfolio (Pass/Fail)

Weighting:

Final assessment: Yes

Group work: No

Learning outcomes tested: MO1, MO2, MO3

Presentation (First Sit)

Description: 10 minute oral presentation

Weighting: 100 %

Final assessment: No

Group work: No

Learning outcomes tested: MO2, MO3

Portfolio (Resit)

Description: Achievement of NMC Specialist Practice standards as outlined in the portfolio (Pass/Fail)

Weighting:

Final assessment: Yes

Group work: No

Learning outcomes tested: MO1, MO2, MO3

Presentation (Resit)

Description: 10 minute oral presentation

Weighting: 100 %

Final assessment: No

Group work: No

Learning outcomes tested: MO2, MO3

Part 5: Contributes towards

This module contributes towards the following programmes of study:

Specialist Practice (District Nursing) [Glenside] MSc 2023-24

Specialist Practice (District Nursing) {Top-Up} [Glenside] BSc (Hons) 2023-24
