Part 2: Description

Overview: This module is part of the students' engagement with subject and curriculum knowledge, pedagogy and practice.

Features: Not applicable

Educational aims: See Learning Outcomes

Outline syllabus: Students will need to further engage with their own understandings and development needs and their appreciation of what this includes for them will be partly informed by their placement experiences as well as audits and taught sessions. They will be expected to take responsibility for progressing these as part of the ongoing professional development expected of teachers. Support will be provided within seminars, workshops and signposting to online tools and resources.

Part 3: Teaching and learning methods

Teaching and learning methods: See Learning Outcomes

Module Learning outcomes: On successful completion of this module students will achieve the following learning outcomes.

MO1 Identify and develop personal subject knowledge and understanding in English and know how to use these confidently as a teacher.

MO2 Understand and apply knowledge of National Curriculum aims and content in English for the primary age phase.

MO3 Critically evaluate theory and practice in the context of their developing ability as teachers to meet the needs of a range of learners in the teaching of English.

MO4 Evaluate a range of learning technologies to support pupils' learning in English

MO5 Explain how English can be developed and applied across a broad and rich curriculum.
