Part 2: Description

Overview: The module will be undertaken by students intending to pursue a career in law and in particular, to qualify as a Solicitor and be Admitted to the Roll to practice in England & Wales (regulated by the Solicitors Regulation Authority).

This module will prepare students for practice but particularly the specific requirements of the assessment of the Legal Skill of Case and Matter Analysis in the Solicitors Qualifying Exam 2 ("SQE 2")

Features: Not applicable

Educational aims: On successful completion of this module students will be able to:

Undertake the skill of Case and Matter Analysis at the level expected by the Solicitors Regulation Authority of a newly qualified solicitor in legal practice. The SRA assessment criteria are set out in the STC Handbook, including the relevant functioning legal knowledge which will be assessed as part of the skill of case and matter analysis.

Outline syllabus: SQE2 is a centrally set assessment (administered externally on behalf of the Solicitors Regulation Authority) which a student must pass as part of the qualification framework leading to admission to the Roll to practice as a solicitor.

SQE 2 will comprise of a series of skills assessments undertaken at an assessment centre within a short time scale.

The SQE2 assessments will assess a candidate's ability in 6 core skills at the level expected of a newly qualified solicitor in legal practice.

This module specifically prepares students for the assessment of the skill of Case and Matter Analysis in SQE2, which they will undertake in 3 separate exercise scenarios in the subject fields of:-

1. Dispute Resolution or Criminal Litigation
2. Property Practice or Wills and Intestacy, Probate Administration and Practice
3. Business Organisations, Rules and Procedures

Extracts of the SRA Assessment for the skills of Case and Matter Analysis and the relevant underpinning legal knowledge requirements will be available in the STC Handbook.
