Placement or Study Year Abroad

For the award of the sandwich title (SW) students must choose one of the following options both of which aim to enable students to contextualise their academic learning in an applied business and/or cultural context:

Work Placement: a significant period of paid employment or self-employment normally in the field relevant to the specialism of the degree. During this time students must complete and pass the 15 credit level 3 module, Placement Learning UMCDN5-15-3. This module assesses the student's personal development, from the experience of placement and their ability to identify issues relevant to their Placement's organisational context, and to then frame, scale and position a critical work-based enquiry relevant to the specialism of the degree.

Study Year Abroad, which consists of two semesters of study at a partner institution abroad.

During this time students must complete and pass the 15 credit level 3 module, Learning & Development on Study Year Abroad (UMCD9Y-15-3). This module assesses the student's personal development from the experience of SYA and their ability to evidence cross-cultural awareness and analysis of the country in which they have been studying.

In addition, whilst at the partner institution students must have studied and attempted assessments in modules totalling 60 ECTS, of which 50-55 ECTS should be in modules related to their programme of study at UWE with a further 5-10 ECTS in the language of the host country. If the advent of failing any modules students must be able to demonstrate engagement i.e. that they have attended classes and sat the exams.

To be eligible for either Placement or SYA students must have passed a minimum of 210 credits. Where students make this choice they are advised to take 15 fewer credits at level 3 as the 15 placement/SYA credits count towards the total required to complete the programme.
