Section 2: Programme Overview, Aims and Learning Outcomes

Part A: Programme Overview, Aims and Learning Outcomes

Overview: This direct entry route of BA (Hons) Business Management with Accounting and Finance offers students a current and integrated business education covering the main disciplines and operational areas of business as well as the development of knowledge, skills and attributes relevant to an accounting and finance specialism.

Students will join with 120 credits at Level 4 equivalent from progression partners/ AL approval. Year 1 is at Level 5.

Educational Aims: The programme aims to enable students to:

Acquire a critical understanding of organisations, their management and the changing external environment in which they operate;

Be equipped with the employability attributes and skills necessary for a career in a wide variety of business, management or accounting and finance related roles, including self employment;

Be enterprising and develop an analytical and enquiring approach in the analysis of business problems so that considered and appropriate conclusions are drawn – which can be communicated effectively in a variety of forms;

Have an informed understanding of critical contemporary business issues and theoretical debates, including ethics and ethical decision-making, sustainability and global citizenship;

Work with academic theory in practice;

Develop a strong sense of self and the life-long learning skills to make an ongoing contribution to society at large.

Part C: Higher Education Achievement Record (HEAR) Synopsis

This course provides a comprehensive business education, with a specialist focus on accounting and finance, equipping students with knowledge and skills for a successful career in a complex business world. It offers a broad range of modules to support students in their future career aspirations. Successful completion of the programme requires students to be independent, enterprising, analytical and critical, to work effectively within teams and to demonstrate strong information literacy, a spirit of enquiry and to be reflective in practice. It requires a broad theoretical and practical knowledge of a range of business and financial functions and the broader international business environment.

Part D: External Reference Points and Benchmarks

Description of how the following reference points and benchmarks have been used in the design of the programme:

QAA subject benchmark statements:

Business and Management

University strategies and policies:

University's 2020 Strategy

UWE Charter

Faculty strategies and policies:

Blended Learning Framework

Curriculum Principles

Employability Strategy

Faculty of Business and Law LTA Strategy

Staff research projects:

Where ever possible staff are encouraged to utilize their research – and that of colleagues – to inform their teaching, both in terms of content and pedagogic approach.

Employer interaction and feedback:

Employers and alumni are regularly consulted to ensure the currency and relevance of the programme.

Part E: Regulations
